**Baja Arizona Sustainable Agriculture (BASA)** is a 501(c)3 nonprofit organization whose *mission* is to help create a local food supply in southern Arizona that is good for people, good for the environment, and good for communities.

Our *goal* is to strengthen local food production and marketing by educating both producers and consumers.

**Membership Benefits:** A quarterly e-newsletter subscription, invitations to local food and agriculture events, the purchase of a sun oven at cost, a members-only agricultural field trip, and more!

**Membership donations are fully tax deductible and greatly appreciated!**
